Devil's Trail

NINETEEN FIFTY TWO

Rita Faye Hurt
Sr. — '51 - '52
Valdosta, Florida

Dear Rita

I'll never forget the first time that I saw you - I said to myself - I'd give anything to be just like that girl & from that day on I worshiped you. I don't think you ever knew anything about this, but I decided to tell you before we part. I'll never forget your wonderful friendship during these past four years, even though there have been a few rocky times we've kept our friendship strong. I hope that our paths will meet again in the future + they probably will because we have this bond we won't be able to stay away for a very long time.

Thanks again for your wonderful friendship + I hope to see you at Mardi Gras in New Orleans next year.

Love,
Gloria

Foreword

We the Senior Class of 1952, ever conscious of the glory and beauty of the United States of America, give our whole-hearted allegiances to its ideals and dedicate our lives to its service. However, by the grace of God we are permitted to abide in one of the noblest divisions of our country and we also feel that a great deal of respect is due our section, the South. Thus as we present our record of events and activities for our last year at Pahokee High School we establish as our theme, "The Southern Confederacy", honoring the South, both old and new;

DEDICATION

who have honored only certain special individuals
in this way, we feel, in our hearts, that every one
of our backers should know that the memory of all
their kind deeds will serve to challenge us to become

We are grateful to our Room Mothers for their cheerfulness and willingness to lend a hand at our parties, picnics, hayrides and dances.

CLASS HISTORY

Our history officially began when we entered high school as a freshman class of bashful boys and giggling girls. We found ourselves bewildered by the halls and many classrooms. We changed classes right along with the upperclassmen and dreamed of the day when we would be Seniors and view the assembly programs from the place of honor in the balcony. We were led through our Freshman year by Pres. Dicky Atkins; Vice Pres. Rita Faye Hurt; Sec. Treas. Mary Ann Howes.

By the time we reached our Sophomore year we were slightly larger; and a little more serious. We lost most of our shyness and were more accustomed to the daily routine of school. We stuck faithfully to our books, relaxing now and then for parties, ball games, band trips, and even dances. Our officers that year were: President, Charles McCurdy; Vice President, Billie Strickland; Secretary, Bobbie Anna Frierson; Treasurer, Myra Baxter; Watch Dog, Junior Holmes.

Our Junior year was a busy year, we were earning money for the Junior-Senior Prom. We sold magazine subscriptions, sponsored dances, sold drinks and hot dogs at the football games and presented a play "Take your Medicine" which was a big success. It was one of the finest and funniest plays ever presented in Pahokee. The money went towards the Junior-Senior Prom and Banquet. For the first time, we had our Banquet and Prom at the same place. We had the Community Hall decorated to carry out our theme which was Chinese, and also for the first time, we had a King and Queen of the Prom. It was a great success and one of the finest proms ever given for Seniors in Pahokee. That was the exciting year we got our class rings, and we were really proud of them. Our officers that year were: President, Dicky Atkins; Vice President, Mac Lynn; Sec., Myra Baxter; Treasurer, Ada Tillman; Business Managers, Mac Lynn and Patsy Elliott; Watch Dog, Carney Wilder.

Excitement was in each and everyone of us as we registered for our Senior year. At last we were actually Seniors. We went to work to elect officers to lead us through our last and most important year; Alfred Meeks was President; Carney Wilder, Watch Dog; Jack Boland, Vice Pres.; Gloria Stuart, Secretary; Dorothy Fields, Treasurer. We gave a class play "Music in the Valley" which was a wonderful success. Our next big project was our annual which was no easy matter. Mac Lynn was our Editor-in-Chief and it was also a big success. We have had many good times and a few hard times during our high school years. We can forget the hard times but we shall always remember the wonderful times we had.

It is with a feeling of regret that we take our leave of Pahokee High School and as we hear the first strains of Pomp and Circumstance and start walking down that aisle our hearts are a little heavy. We shall always remember P.H.S. and we hope that you won't forget us.

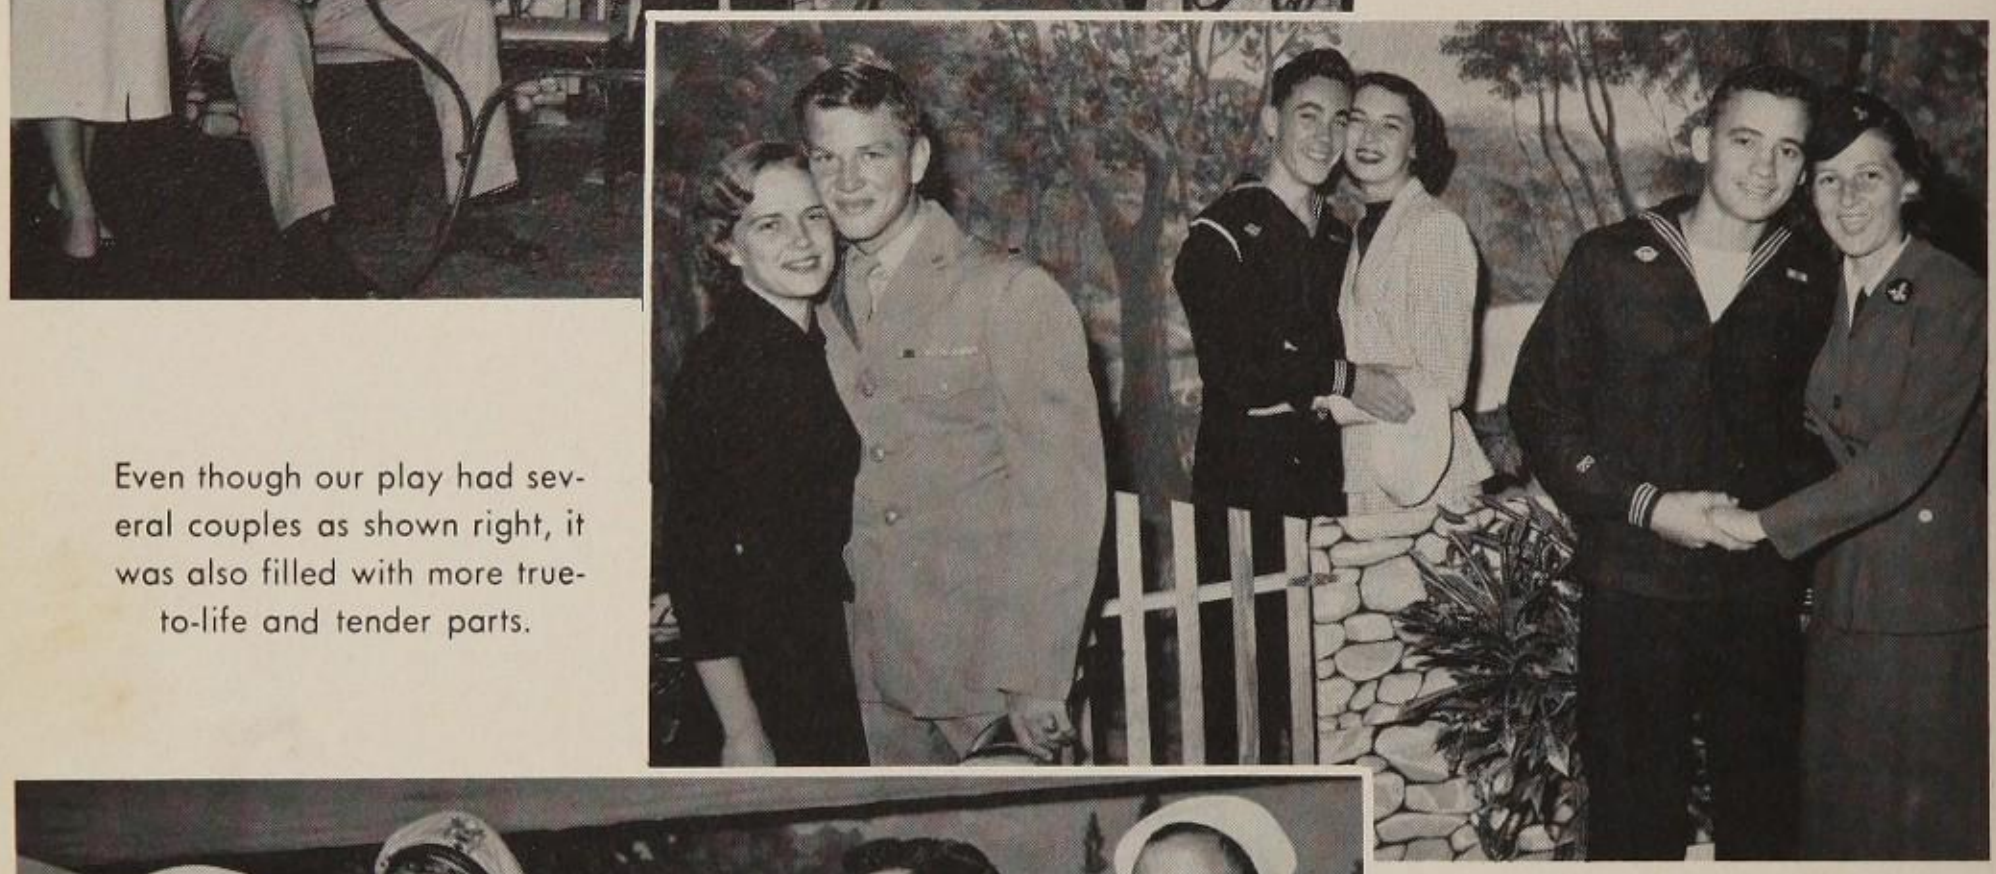
"Music in

This picture shows only a few of the nineteen characters in our Senior Play, "Music in the Valley."



Even though our play had several couples as shown right, it was also filled with more true-to-life and tender parts.

These pictures denote service life which had its place in the play as a result of World War II.

At right are shown the cast of girls who really lived their parts in "Music in the Valley."

Annie tells the Whiting family the life story of Richard James.

Richard James quietly slipped away in "Music in the Valley." Here John Barr, Leslie, Janice, and Alfred look on.

At left, Rita Faye Hurt provided very excellent music. Louise, 3rd from left sang making the play go on more softly and realistic. Others shown were in the cast.

Here is shown the whole cast and those who kept things going back stage. Also shown is our director, Mrs. Lola Miller, who did a splendid job and in whom a great loving character lies.

CLASS PROPHECY

After a period of about ten years we see John Adams finally taking advantage of his double feature courses—Chemistry and Physics which he took in his senior year. He is now pushing a wheel-barrow for Uncle Sam.

After 10 years of hard labor Dick has acquired the position of head clerk in the pelican lake commissary.

Myra Baxter is still seen searching for that millionaire she always wanted to marry. Myra says, "They sure are scarce these days."

We find Dr. Jack Boland getting revenge on one of his old school teachers by pulling their teeth. We see Uncle "Dub" in his office now.

After many sweet letters to her boy friend in Germany, we see that Elizabeth Claridy finally married him.

One of our classmates, Bettye Culberson, has just reached the height of her career. She is now manager of the Bacom Point Dime Store.

In 1962 we see Linda Cowart sitting on her front porch trying to figure out what she wants to do for a living.

It seems that Dorothy Fields has made good use of her title as wittiest in Pahokee High. She just opened as M.C. at Grovers Bar.

Evelyn Clay Frady has just obtained permission to have a cabin aboard the U.S.S. Hunt where her husband is now captain.

Artist Bobbie de Frierson is still struggling to sell one of her 839 oil paintings. Her latest painting is "The Dike at Midnight."

Leonne Gamot is giving advise to Miss Hendry on raising pure bread mama bulls.

Are you going to Hawaii any time soon? Chances are you will see Celeta Gant frantically trying to learn the hula dance.

After 10 long years Wynell Gillis has finally attained her desire. No, not a man, she is still an old maid, but owner of the Pahokee Pure Oil Service Station.

Louise Hatton is at the height of her career singing "Stormy Weather" at Dad's Bar.

"Hot Rod" Herring has just won the new speed record at the Muck City speedway. He averaged 210 m.p.h. last week.

Buddy Hewell is now 3rd assistant to the head coach of Canal Point High School.

We see Rita Faye's little readhead, Jr., asking, "Mama, who's Fritz?"

Edna Unwin and Wynell Jensen have just arrived home from their trip around the world and have decided to settle down to a life without men.

CLASS PROPHECY

Mac Lynn, after a hard day at his regular work, is sitting home with his wife enjoying their cute little triplet daughters.

David "Cowboy" McCoy is now cattle king of Bean City. He plans to start on his second million this year.

Charles McCurdy is still undecided on a career and is playing both last chair clarinet in the Univ. of Florida Band and 5th string water boy on the Gator football team.

Barbara McIlwain is frantically trying to pack 12 kids into a one room apartment. Are they really cheaper by the dozen, Barbara?

Alfred Meeks is at the University of Florida still studying to be an engineer. Wonder if he'll ever get through.

We see our former classmate Mary F. Mills on her way to Germany to visit her husband, Davis. Wonder if she took Jr. with her.

Congresswoman Joann Platt has just been elected the first woman president. It seems her essay "The Inferior Man" has caused an international uprising.

We see Bill "Fix it" Sanford is an interior decorator. He specializes in decorating transparent houses.

We see Donna Jo Spooner, fickle as ever, still looking for the perfect man.

We now see that Millard Stanley is President of General Motors and has bought out the Ford Factory. He will now make Fordelets.

Mrs. Gloria Stuart Schroeder announces that she has just completed her football team. She will now try for a cheerleader squad, to go with it. She says someone else will have to furnish the substitutes.

After 10 years of housekeeping Ada Tillman Atkins now sits by the fire dreaming of her by-gone school days.

Ten years later we see Lucile Prince Tootle using the old bookkeeping method to keep track of the little Tootles.

Shirley Watson is still trying for her R.N. degree. It seems that the interns at the hospital have slowed her down but she can't decide whether she wants the degree or the husband.

Bobby White finally returned home after a nation-wide tour with the professional baseball club, the Sand Cut sandspurs.

We hear very little comment from Carney Wilder and his Hog empire on Wilder Island. They are still waiting for the price of hogs to go up.

Miss Love and Leave 'em Williams has just returned from her 17th trip to Reno and is leaving next week to tour Egypt in hopes of finding any eligible Kings.

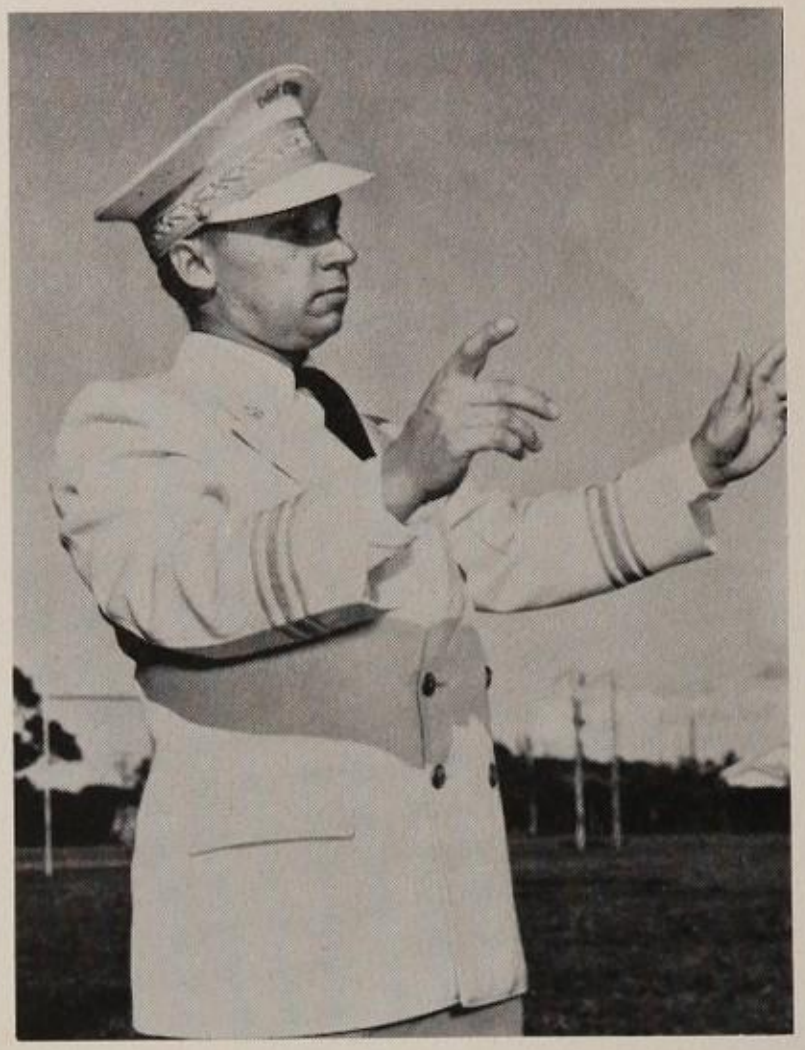
HISTORY OF P.H.S. BAND



The Pahokee High School Band was reorganized May 10, 1940 under the direction of Mr. Robert O. Lampi. Rehearsals were started and continued throughout the summer and the band was ready for the 1940 football season.

In the Contest Festival held in St. Petersburg in the spring of 1941 the Band won 1st division rating in marching, 3rd in concert, and 3rd in sight reading for Class D Bands.

The festival was not held in 1942 but for the next three years Inspection Contests, wartime substitute for the festival, the Band received First Division ratings in concert and sight reading. These first division ratings were repeated in 1946 at the state contest in St. Petersburg.

At the District Contest in West Palm Beach in 1947, first divisions were won in concert, sight reading, and marching and at the State Contest in Miami, Pahokee received 2nd in sight reading, 2nd in marching, and 3rd in concert.

In 1948 at the District Contest in West Palm Beach the Band received 1st in concert, 1st in sight reading, and 1st in marching. At the State Contest held in St. Petersburg the Band won 2nd in concert, 1st in sight reading, and 1st in marching.

In the District Contest held in Pahokee in 1949 honors such as 1st in concert, 1st in sight reading, and 2nd in marching were won. At Jacksonville in the State Contest the Band won 1st in sight reading, 2nd in concert, and 2nd in marching.

West Palm Beach was the place of the District Contest in 1950. The Band won 1st in concert, sight reading, and in marching. At the State Contest in Miami, 1st in sight reading, 1st in marching, and 2nd in concert.

The 1951 District Contest held at this school bestowed honors upon the Band with three firsts. State Contest in St. Petersburg: 1st concert, 1st sight reading, and 2nd in marching.

The Band plays at football games, gives concerts, goes on parades, and plays for civic organizations. In completing the 1952 year the 53 members and Mr. Lampi hope to take top honors at the contests. District Contest will be held in Pahokee.

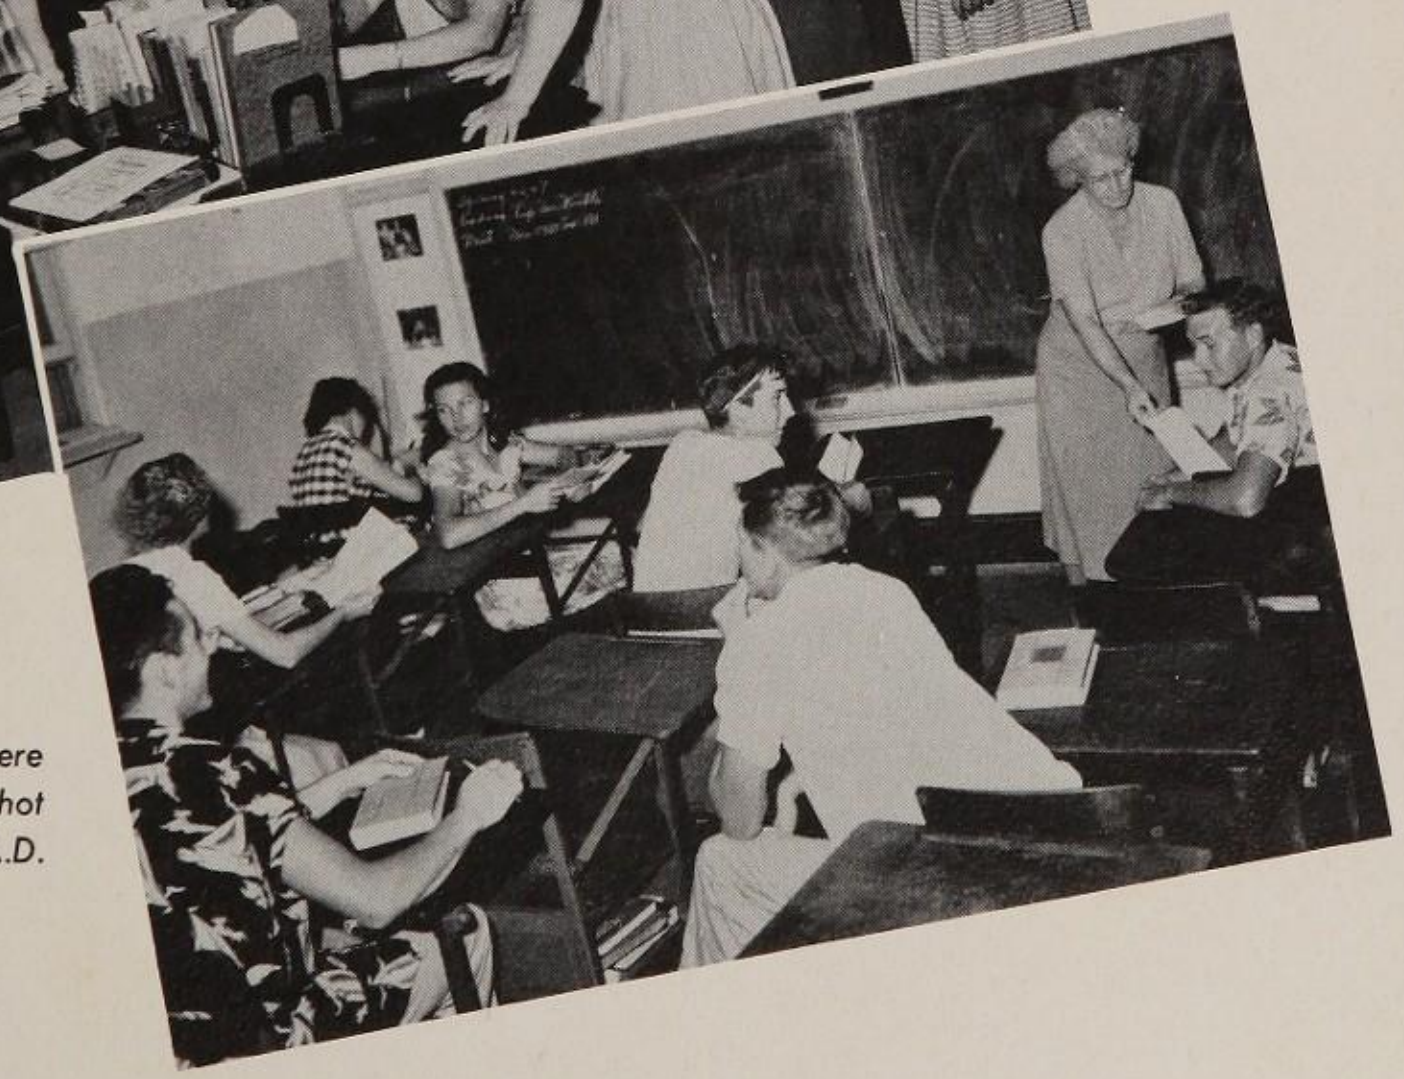
REMEMBER!

We may leave P.H.S. but we won't forget our classes. Remember Study Hall?

All the girls will not forget this one. The only class in school for the home-maker.



In our later years we were Mrs. York's students. This shot was taken during the P.A.D. class.

1. Corner bunch. 2. Those kids. 3. It's funny now. 4. Have a bite? 5. "Hotrod" and Hoppy. 6. Confederates in town. 7. Hungry? 8. Seasick huh? 9. Feel better? 10. Having fun??? 11. Back when. 12. Lovely ladies. 13. The fleet's in.

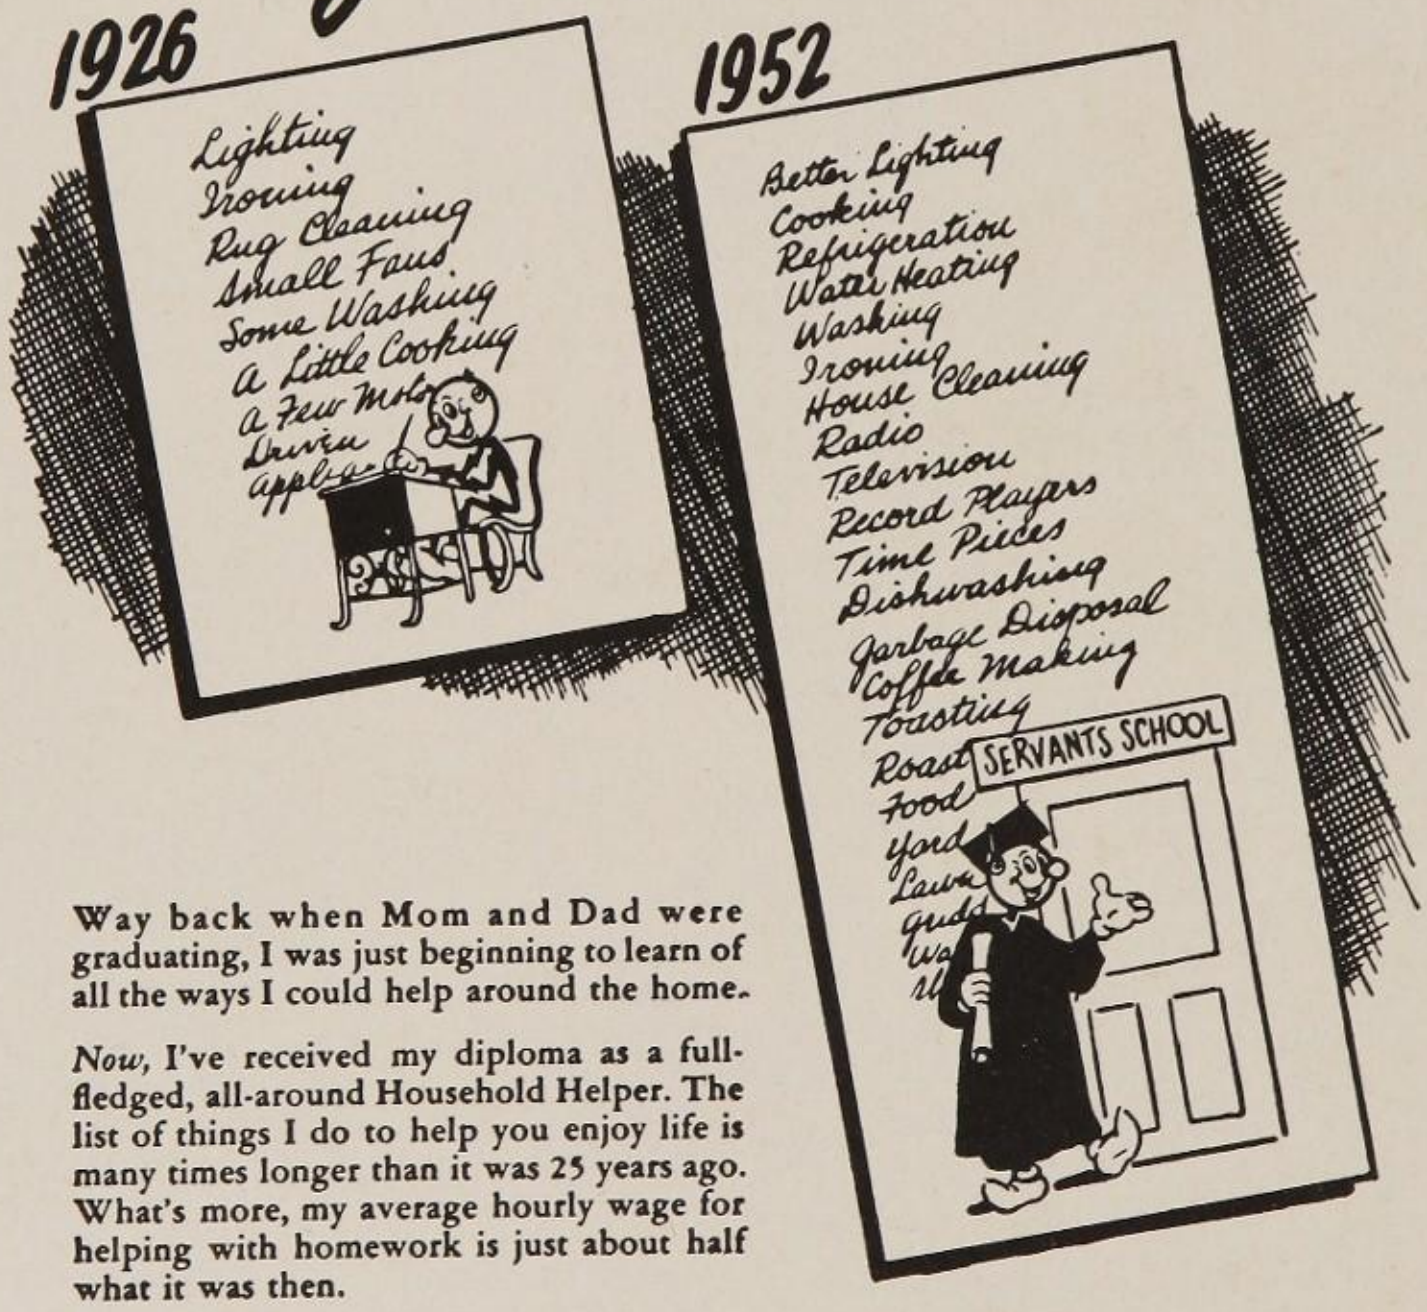
"I've Graduated, too!"



Way back when Mom and Dad were graduating, I was just beginning to learn of all the ways I could help around the home.

Now, I've received my diploma as a full-fledged, all-around Household Helper. The list of things I do to help you enjoy life is many times longer than it was 25 years ago. What's more, my average hourly wage for helping with homework is just about half what it was then.
